Jim,

Again, it was nice to see you, and I'm looking forward to the next steps we discussed on various matters.

You're going to get a letter from Mark Hansen reminding you and others of your obligations in the Ecuador matter. While that is obviously important to us, as we discussed, I think we can set all things Ecuador over to one side and not have them interfere with an ongoing relationship. I just wanted to give you a head's up so that there aren't any mixed messages.

Best,

Chris
